

70 Years with Coughs

We have had seventy years of experience with Ayer's Cherry Pectoral. This makes us have great confidence in it for coughs, colds, bronchitis, weak throats, and weak lungs. We want you to have confidence in it, as well. Ask your own doctor what experience he has had with it. He knows. Keep in close touch with him.

One of Ayer's Pills at bedtime will cause an increased flow of bile and produce a gentle laxative effect the day following. Formulas on each box. Show it to your doctor. He will understand at a glance. Dose, one pill at bedtime, just one.

There is more catarrh in this section of the country than any other disease and it is the last year was supposed to be incurable. For a great many years doctors pronounced it a mortal disease and prescribed local remedies, and by constantly failing to cure with local treatment, promoted it to a fatal issue. Now Catarrh is no longer a fatal disease. It can be cured by a constitutional cure, and therefore requires constitutional treatment. Hays' Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure of the secret. It is taken internally in doses from 2 grains to a teaspoonful, so the diseased surface of the eye is reached. They also cure gonorrhea, leucorrhea, and all other diseases of the urinary tract. It is the best remedy for all these diseases. Address: F. J. CHENEY & CO., Toledo, Ohio.

HOW BLOOD IS MADE.

The liquids and the digested foods in the alimentary canal pass through the wall of the canal into the blood. This process is called *absorption* and takes place chiefly from the small intestine. After absorption the blood carries the food through the body, and each cell takes from the blood the food it needs. A pure glyceric extract made from bloodroot, mandrake, stone, queen's root and golden seal and sold by druggists for the past forty years under the name of Dr. Pierce's Golden Medical Discovery, gives uniformly excellent results as a tonic to help in the assimilation of the food and in the absorption by the blood of the food it requires. Eradicate the poisons from the blood with this alternative extract which does not shrink the white blood corpuscles, because containing no alcohol or other injurious ingredients. Thus the body can be built up—strong to resist disease. This is a tonic taken from Nature's garden that builds up those weakened by disease.
